(d) The Government in their Order No. FFD 76 FAF 78 dated 9/10th May 1978 have issued orders for regularisation of encroachments which have taken place along the outer fringes of the forests and in areas where the Tree Growth is poor. In addition to this in the coastal strip both in Uttara Kannada and Dakshina Kannada the encroachments are to be regularised. This would cover about 23,000 acres involving 5,200 families.

The encroachments in the interior Forests and where the tree growth is rich are to be removed. To the extent possible such of these persons may be accommodated in the area presently under encroachment along the margin of the forests. Forest land cleared earlier for purposes of grant but thereafter withheld from being made available to the Revenue Department may also be availed for the purpose.

The survey of the areas under encroachment has been taken up and after completion of the survey further action will be taken for regularisation of encroachments.
